March has marked a significant milestone for Puthiya Payanangal 2024. On March 6th, we outlined our objectives in a productive meeting with teachers from the South Zone, discussing the implementation of our program in their schools. Over the course of the month, we successfully expanded our reach to more than 300 schools, engaging over 3,000 students across various zones. Here are the detailed statistics from each zone as they currently stand.

Following the launch of WeHub, held the second session of it

When: 24**th March 2024**   Where**: WEHub, Kilinochchi**

A follow-up session of that initiative was held on the 24th of March by Mrs. Suganthiny Sivakumar regarding the cultivation of mushrooms. 10 women entrepreneurs participated in this session.
